We are Eva Keller and Joseph Perez, an age-gap husband and wife based in Southern California. We create content for weekend getaways, road trips, and day trips, highlighting the hidden gems we discover along the way.

Our travel style is adventurous and flexible. We enjoy visiting National Parks, wine tasting, trying new restaurants, and exploring unique places.

Our blog features a variety of travel content from around the US. We love to feature National Parks, historic sites, resorts, weekend getaways, and road trip itineraries.

One of our favorite projects is our "Best Restaurants" series, which has expanded to feature Southern California, Northern California and Las Vegas dining establishments.

We promote seasonal local events (Halloween, Christmas, etc) that are relevant to our interests and have a variety of sponsored content that fits into our food, travel, and lifestyle niche.
